A fantastic 12 night (13 day) "BEST of Alaska" package - if you've never been to this great land, or simply want to experience Alaska again- "C'MON ALONG!!" This will be our 33rd summer to visit Alaska! Come see why Tom & Rita Paul have been nicknamed "Mr. & Mrs. Alaska" by members of the cruise industry! Come with us and let us show you why we love it - and why thousands are talking about this VIPP Adventure!

With Pauls' Pals - we don't just send you there ... we'll take you there!

A very special, personally designed tour - only found here at Paul's Cruises! The best of Alaska!

We depart from DFW (and other selected cities) for a fabulous adventure to the majestic "Great Land" of Alaska! Our hotel will be in **ANCHORAGE** for the first night. Then we board the fabulous **MIDNIGHT SUN EXPRESS** (domed railcars) for our exciting trip to **DENALI NATIONAL PARK**, for two days at two fabulous lodges! We'll be able to overnight south of the park at the beautiful **MCKINLEY PRINCESS LODGE** with it's spectacular view of Mt. Mckinley (weather permitting)! A private motorcoach will take us from the park entrance to the fabulous **DENALI PRINCESS LODGE** for our next overnight stay. Take in an optional dinner show or raft the Nenana River for a memorable adventure! The next morning we have an opportunity to explore **Denali** and its wildlife on a **wildlife and history park tour**. You'll totally enjoy your visit with our friend and famous dog-musher, Jeff King, as you listen to his Idiatrod stories and actually hold one of his champion puppies! We continue our adventure to **FAIRBANKS**. A **riverboat cruise** awaits us, a **city tour**, a visit to the **Trans-Alaskan Pipeline**, and a visit to a **gold mine** and panning for gold. Then, we fly to Anchorage to board our lovely "floating resort" for the next 7 nights - the elegant, **STAR PRINCESS** (a fabulous vacation in itself!)

What an introduction to Alaska as we sail from Anchorage for a scenic cruise to 5 mile long **HUBBARD GLACIER**, nicknamed the "Gallopig Glacier" since it is so active. Day 8 offers you spectacular views as your Princess ship glides through **GLACIER BAY**. We'll explore the gold rush history of fun-filled **SKAGWAY**. On to Alaska's capital- **JUNEAU** - for an optional tour to **MENDENHALL GLACIER** up close, a Whale Watching experience or a flightseeing trip over the glaciers! Visit **KETCHIKAN** where you can see salmon spawning, zip line, walk along famous Creek Street, or watch totem poles being carved. Our 12th day is spent cruising the **INSIDE PASSAGE**, a good time to relax and just indulge in Princess luxury and service as we think of all the marvelous sights we've seen! Our 13th day brings us back to **VANCOUVER** for our transfer to the airport. An **optional 2 night Vancouver tour** is available to **VICTORIA / BUTCHART GARDENS** (before you fly home) for an additional charge. Or choose to spend an extra night in Vancouver or Anchorage! Special pre-cruise 1 nt Anchorage Hotel/Air package will be available early in 2017...first come basis.
